Since 1994, Bethany Hill Place has combined housing with learning opportunities to help more than 1,000 of the greater Framingham area’s most vulnerable people develop skills, strengthen their lives, and build financially stable futures.

DEVELOPING A LIFETIME OF SUCCESS
A stable home is a foundation upon which to build a positive, successful life. It provides comfort, safety, a place to begin to dream without uncertainty or anxiety. At Bethany Hill Place, we believe our residents need more than the housing we provide to sustain their success long-term. To make the greatest impact, our resident-centered learning opportunities and individualized support helps them gain new skills, create career plans, and foster school success for adults and children alike. Our year-round onsite programming gives our residents the foundation they need to build successful futures.

JOIN US AT THE SPRING GALA ON APRIL 28
The greatest gift you can give people who have been homeless or at risk of being homeless is the chance to stabilize and the supports to bring their dreams to life. At Bethany Hill Place we empower our residents to grow, to learn, and to succeed in the community. Please join us on April 28 as we celebrate the transformations made possible by supporters like you, who help ensure our residents benefit from the stability and education Bethany Hill Place provides.
LEGACY OF JUSTICE AWARD
Inspiring all around her to work hard and reach high, Sister Marie Therese Martin has left an enduring impression on the missions of countless organizations from Worcester to Boston – and beyond. With a deep commitment to justice and an unwavering dedication to help those less fortunate, Sister Marie Therese, a Sister of St. Joseph, has been a tremendous force for good on behalf of many, especially the residents of Bethany Hill Place. Ever determined to find hope in new beginnings, she has made a lasting mark and we are delighted to recognize her lifetime of achievements with the Legacy of Justice Award.

KEYNOTE SPEAKER
In 1985, Dr. Jim O’Connell began working with homeless individuals as the founding physician of the Boston Health Care for the Homeless Program, which now serves over 12,000 homeless persons each year at Boston area hospitals and shelters. The author of Stories from the Shadows: Reflections of a Street Doctor, Dr. O’Connell has received numerous awards and has been featured on ABC’s Nightline and in a feature-length documentary entitled “Give Me a Shot of Anything.” A passionate believer in establishing trust between patient and caregiver before healing can begin, Dr. Jim will share with us his experiences caring for the Boston homeless community and his perspective on healthcare as a basic human right.
